

Protection of personal data Haloknauf, Rok Groznik sp

At Haloknauf, we are aware of the importance of protecting personal data, mainly because we use it to provide more relevant services and information to our users. Any personal information (such as information about the use of a website that we associate with an individual) tells us a little more about what our users are interested in and it allows us not to burden them with content that we anticipate they don't want. On the other hand, any personal information also means risk - all good we know of cases where companies have improperly handled personal data, passed it on to other companies, accidentally disclosed or lost it, etc.

The GDPR regulation, adopted by the European Union, dictates high standards that set out how your data is collected, stored, allows you to view it and request its deletion. and much more. In accordance with the legislation and our awareness of the importance of this area, we have prepared explanations on the security of your data and the rights you have as data owner. Please read the explanation carefully before giving your consent to the collection or processing of your personal data on our site.

What is personal information

Personal data are any data relating to a specific natural person, ie an individual, according to the form in which they are expressed. This is information that can be used to identify you.

For example, we list several types of personal data: name, e-mail address, EMŠO, tax number, health insurance number, telephone number, vehicle registration number, personal transaction account number, etc.

Specific types of personal data are data about an individual that reveal his or her racial or ethnic origin, political beliefs, religious or philosophical beliefs or trade union membership, and the processing of genetic or biometric data for the purpose of uniquely identifying, health-related or in relation to an individual's sexual orientation, sexual life, data on convictions, etc.

The controller of personal data is the company Haloknauf, Finishing construction works, Rok Groznik sp, Podturn pri Dol. Toplicah 42, 8350 Dolenjske Toplice(hereinafter: Haloknauf).

Where we store your personal information and for how long

Personal data obtained from you on the basis of your explicit consent is stored in an electronic or physical personal data file (depending on the form of personal data obtained). The collections are adequately technically secured and can only be accessed by authorized Haloknauf employees.

The personal data you provide to us digitally is stored on servers at the company's headquarters, but may also be stored by the companies whose tools we use. For example, an email communication tool provider stores address information. The Haloknauf company cooperates exclusively with the leading providers of such tools and before each cooperation we agree or. ensure that tool providers do not have any right of access to the data. We also check to see if they have properly regulated data protection mechanisms and assurances that they will never use any of our customers' data themselves.

We keep the collected personal data until the moment when you inform us that you no longer agree with the storage and processing of personal data or. at most as long as is necessary to achieve the purpose for which they are processed or to satisfy legal requirements.

Collection, processing and use of personal data

We collect, manage and process your personal data only for the purposes specified by law or on the basis of your explicit consent.

Personal data we need for other purposes for which consent is required individual are, for example:

The IP address of the approval of the use of cookies on the website

Name, surname, e-mail address when subscribing to e-mail news

Analysis of the use of the website to display user-friendly web content

The information collected with consent is primarily intended to communicate with you and improve services. We also try to find out which parts of our offer are not visited because they may not be visible enough on the website.

We undertake not to lend or sell your personal data to a third party without prior notice and without your express written consent.

What types of personal data we process

The company collects and processes personal data that we need for the provision of services or are determined by the rules of projects and programs that we implement, or, those for which you have given your express consent.

Such personal data are, for example:

name and surname

title

Phone Number

e-mail address

site usage analysis

email response analysis

Withdrawal of consent for the processing of personal data

You have the right to revoke the given consent for the processing of personal data at any time. You can revoke the right for an individual purpose or for all purposes of processing personal data with which you have agreed.

You can revoke the given consent:

at the end of each email you receive from us,

but you can also write to us.

or to the e-mail address: info@haloknauf.si

In the event of revocation of consent to the collection or processing of personal data, all collected personal data to which the request for deletion will relate will be deleted or excluded from automatic processing.

Revocation of consent to the processing of personal data does not affect the lawfulness of the processing of personal data concerning you until your revocation and the use of this personal data for statutory purposes.

Your rights in the field of personal data protection

Right to erasure / oblivion

At any time, you have the right to request that the controller correct or supplement inaccurate or incomplete personal data regarding you.

You may at any time request access to the data collected by the controller about you or the immediate deletion of your personal data.

In the event of correction, addition or deletion of personal data, we must notify you of the correction, addition or deletion without delay.

The right to limit the processing of personal data

At any time, you have the right to request that we restrict the processing of your personal data in the event of their inaccuracy, illegality, cessation of the purpose of processing or filing an objection.

The right to the portability of your data

At any time, you have the right to request that we provide you with personal data that we process in relation to you.

At any time, you have the right to request that the personal data we process in relation to you be passed on to another controller.

Right to contract

Any use of your personal data for informational or promotional purposes requires your explicit consent. In the event that you receive informative or commercial promotional content with your consent, you may at any time request in writing to stop using your data for this purpose.

You can claim all rights related to the protection of your personal data on the form attached to this document.

The right to access personal information about you

Whenever you have the right to receive confirmation as to whether personal data about you are being processed and access to personal data concerning you and the following information: purpose of data processing, type of personal data concerning you, users of your personal data, envisaged retention period data source of personal data.

Threat to the protection of personal data

Unfortunately, there is no effort to protect data, despite complete security. There is always the possibility that a particularly biting intrusion into our IT systems or an unforeseen error could jeopardize the protection of your personal data.

In the event of a threat to the protection of your personal data and in the event that it is demonstrated that such a threat to the protection of personal data could pose a significant risk to your rights and freedoms, we will notify you immediately.

In the event of a threat to the protection of personal data, we will notify the competent authority without undue delay, but no later than 72 hours after learning of the threat to the protection of your personal data.

Right of appeal

In the event of a breach of personal data protection, you have the right to lodge a complaint against the controller with the competent supervisory authority at the address: Information Commissioner, Zaloška 59, 1000 Ljubljana.

Important information regarding the processing of your personal data

We undertake to process all collected data only within the listed management purposes or. processing of personal data and in accordance with the Personal Data Protection Act and other relevant sectoral legislation as well as in accordance with Regulation (EU) 2016/679 on the protection of individuals with regard to the processing of personal data (GDPR).
